Paul Harris Fellow Award Presentation Tuesday, September 22, 2015

Paul Harris founded Rotary in 1905 when he held the first meeting in his law office with three clients. Today, Rotary has grown to 1.2 million people in 34,000 clubs in over 200 countries. Rotary International, as we know it, and our overarching goal of "service above self," are Paul Harris' legacy. Since 1957, Paul Harris Fellows have been recognized for their support of the charitable works of the Rotary Foundation. Today, we are happy to present Paul Harris Fellow awards to deserving recipients in our own club.
