Water and Ice Rotary Ball

A fabulous time was had by all at the annual Rotary Ball on Dec. 2, 2016, thanks to the leadership and detailed planning of Co-Chairs Karen Kinnett and Michelle Casuccio. In addition to the wonderful food and music, the event funded a stockpile of coats, hats and mittens to go to school children in the flood ravaged area of southern WV. Individual community charities were also supported by the table sales, and we anxiously await the total of funding raised for local charities! Great job Karen and Michelle! Thank you also to the many Rotarians who helped with set up, decorating, and clean up.

Nov 29 Speaker Highlights

Last week we enjoyed a presentation by Mr. Rick Caruso, our Club Secretary. Rick discussed the District and Club Data Base (DACdb), a software tool to help club members & officers take care of member management, & to help districts & clubs around the world improve member communications & community outreach. Rick provided cards to help navigate the data base. Secretary Rick has been a member of Shepherdstown Rotary for over 14 years, & for the majority of that time has been Club Secretary. His day job is as a Portfolio Manager, U. S. Coast Guard Operations Systems Center at Digital Management, Inc., located at Kearneysville, WV, a position he has held for over 6 yrs.

Shepherdstown Christmas Parade

Yes, Rotarians are hearty souls, as evidenced by the strong group who represented Shepherdstown Rotary in the community Parade on the morning after the Rotary Ball! Hats off to all those who could still march strong after an evening on the dance floor!
