

# Shepherdstown Rotary Club

# ROUTER

April 4, 2017

## Club Assembly

This morning is Club Assembly, the morning each month when Standing Committees of Shepherdstown Rotary Club meet to review achievements, & then develop new programs & projects, along with identifying leaders for them.

Please join the discussions & contribute your ideas!

## Last Week's Speaker

Last week's presentation was by Mr. Thomas Minney, State Director of the WV Chapter of The Nature Conservancy. Mr. Minney will discuss The Nature Conservancy: Conservation for Nature, Economy, & Well-being. He will give an overview of the work The Nature Conservancy is doing around the world, and in WV, to protect our most beloved and beautiful landscapes while ensuring that we address making conservation a driver for human economy & the well-being of humankind.

Mr. Minney grew up on Jessie Run, a small "holler" in Gilmer Co, WV, surrounded by nature & versed in small farm work. He attended Shepherd College, then spent several years living abroad, working in Japan, and then earned a MS degree in England. He worked on international development issues in Africa, Central, & South America. He returned to his native WV to work for the Nature Conservancy in 2001, & was formerly the Conservation Programs Director for the WV Chapter.

Mr. Minney lives in Elkins, WV, & enjoys taking his 2 boys to Jessie Run to hike, hunt, learn about the natural world, the importance of family, & being good people.

Thomas Minney speaking to Rotarians about the WV Chapter of the Nature Conservancy

## Announcements

1. Leon, the rotary exchange student came in second place at the Four-Way Speech Contest
2. Relay for Life begins April 7. Checks can be made to the American Cancer Society.

## 50/50 Winner

Hank Walter

## Guests

Michelle Joseph- Co-chair relay for life

## Anniversary

Dick Klein- 4/10

## Birthday

Tom Maiden 4/3
