Club Assembly

Today is Club Assembly, the day each month when Standing Committees of Shepherdstown Rotary Club meet to review achievements, and then develop new programs & projects, along with identifying leaders for them.

Please join the discussions & contribute your ideas!

December 23 Entertainment and Holiday Breakfast

We enjoyed a festive holiday breakfast with Rotary members and were joined by a number of guests to take part in kicking off the holiday spirit with conversation over a wonderful meal. As a way to show our appreciation for the Bavarian Inn staff, we were able to recognize their efforts and provide them with a little extra holiday cheer after we "passed the hat" throughout the previous weeks leading up to December 23rd's breakfast. We also recognized the contributions of Mike and Deborah Luksa, the owner's of the Press Room for their impact on our community. A Christmas Music Program was provided by local businessman Jay Hurley playing the hammered dulcimer, with Genevieve O'Loughlin on the Celtic Harp accompanied by vocalist Debbie Halverson. The music was beautiful and everyone joined in to sing Jingle Bells before the show came to a close.
