Medicine, Education, and Development for
Low Income Families Everywhere

What is MEDLIFE?

- MEDLIFE is a volunteer-run global health organization dedicated to serving the underprivileged in our local and global communities.
- [MEDLIFE Introduction Video](#)

MEDLIFE at Shepherd

MEDLIFE of Shepherd University was founded by pre-professional majors who believe in working hard to provide the needs of not only underprivileged families in society but also for serving hard-working pre-professional majors who want to witness their dreams obtained.

Our Service-Learning Trip

- Our chapter will be going on a service-learning trip for the first time since before the pandemic.
- We will be spending nine days in Lima, Peru in June of 2023.

- [Trip Itinerary](#)

Fundraising and Costs

- An average trip with housing and meals included is \$1349 per person.
- Luckily, we can reduce the cost all the way to \$890 using the Moving Mountains fundraising site and Power Hour.
- Affordability and inclusivity are the two largest goals of our chapter this year, as we believe everyone should be able to attend the trip and gain this incomparable experience.

Volunteer Category	Donation Goal*
Solo travelers & groups of less than 15 volunteers	\$1349 USD per person
Groups of 15+ volunteers	\$1290 USD per person
Active Members	\$1090 USD per person
Ambassadors	\$890 USD per person

Give Lively

- Moving Mountains and our Power Hour are run through our Get Lively page.
- Donations on the get lively page go straight to development and education projects, and most importantly continued health care in these communities for those who truly need it.
